

PACO MAGIC

Hola and Welcome to my .pdf-Information-Papers.

Here you can find Information about: **Who is the Paco?**, **What can he do for you?** and **How you can book and reach the Paco?**.

I am José Fernando Francisco de la Luz and I come from Andalucía. In Andalucía the shortform from Francisco is Paco, what means that you all can call me PACO.

I'm not only a mentalist and the Andalucía Master-Magician; I'm the entertainer for your event. I will bring fun and laugh but also amazement and astonishment.

If you are looking for the best magician you can find, you are here in the right place. Maybe I'm not the best but at least you have already found me.

The Shows

or: „What does the Paco do?“

The stage is mine...

Tricky tricks and paradoxical wonders. I can offer you that the Paco performs his magic on stage or a place where everybody can see the Paco. The funny Paco Magic Show involves a lot of audience participation and will fascinate all with my funny andalucian style magic and my unique English that will be understood by native speakers and also Guests that don't speak the english language as good as the Paco. Fun, laughter and amazement guaranteed.

- Flexible length of the show
- Unique Language (Spanglish)
- No special Stage required
- Paco has a own Soundsystem for max 500 Personens, that can be used if required.
- Prices negociable

The proficiency level of the spoken English could be adjusted for each audience from Spanglish (Paco's humorous Spanish-English) to almost perfect English - whatever works best to make you laugh and have fun with the unique Magic Performance of Paco from Andalucía!

Closer than close-up...

The Paco can also show his mind blowing magic art in between your guests. That's great for conventions and big party's. I perform my magic direct face to face with the audience. The magic happens under the noses and in the spectators hands. Incredible and not to understand, but funny because the Paco is a funny dude.

- No Stage needed, Close-up show is almost everywhere possible
- Flexible length of the show - depending on amount of spectators
- Prices negociable
- Magic-Crew Show Team with up to five magicians and other Artists for very big Events can be arranged by Paco (www.magic-crew.de)
- Unique special Spanglish-Language
